

Registered Nurse, Nurse Practitioner, Physician Assistant

Location: Alpharetta, GA

Employment Type: Part-Time - Full-Time

Salary: Competitive, based on experience

Functional Medicine of Georgia is looking for a compassionate and skilled RN, NP, or PA with a passion for education, continuous learning, and patient-centered care to join our team specializing in addressing the root cause of disease. This role provides an opportunity to make a meaningful impact through holistic health approaches while expanding your clinical expertise.

Responsibilities:

- Provide patient-centered care with a focus on nutrition and addressing chronic disease.
- Administer IV infusions and restorative therapies.
- Coach patients on lifestyle changes for disease prevention.
- Work with a multidisciplinary team to develop personalized care plans.
- Maintain accurate records and ensure healthcare compliance.
- Stay updated on functional and holistic medicine advancements.

Qualifications:

- Active RN, NP, or PA license in Georgia with BLS/ACLS certification.
- 2+ years of IV infusion and phlebotomy experience; central line experience preferred.
- Strong knowledge of nutrition, chronic disease prevention, and holistic wellness.
- Excellent communication, organizational, and multitasking skills.
- Proficiency in MacPractice preferred.

How to Apply:

If you are a motivated professional passionate about supporting healthcare operations, apply today by submitting your resume to resumes@fmg.health.

Equal Opportunity Statement:

We are committed to providing a fair and welcoming workplace where all individuals are treated with respect. Employment decisions are based on qualifications, skills, and experience, without regard to personal background or characteristics.
